Preface

The Lauderdale County Board of Education is established under authority of state law for the purpose of exercising general supervision and administration of the public schools serving school age children who reside within the county limits of Lauderdale County, and of promoting the interests of the Lauderdale County Schools and the children they serve. Those responsibilities are met, in part, by the adoption and implementation of formal policies by which the principles that guide decisionmaking are established.

Policies are generally broad statements of principle and purpose, and are intended to serve as a framework for decision making and administrative action rather than as a manual for day-to-day decision making and action. Policies can nevertheless establish specific substantive standards and requirements, including standards of personal and professional conduct, the violation of which may result in disciplinary sanctions or other adverse consequences. However, policies do not restrict the ability of the Board or its employees to respond reasonably and flexibly to unexpected contingencies, emergencies, and other conditions that call for a response that is tailored to unique or special circumstances.

Policies should be construed as a whole and with reference to related policies and applicable law. Although policies are adopted partly for the purpose of meeting the requirements of pertinent law, they do not establish or create a legal right, claim, entitlement, or interest to or in any title, position, assignment, duty, work location, level or rate of compensation, benefit, or term of employment.

Any provision, feature, or aspect of Board policy that does not conform to governing law should be deemed void and superseded by such law. Editorial changes that do not affect the meaning, substance, or application of a policy may be made by the Board without advance public notice and comment. In general, the Board reserves the right to adopt, revise, interpret, amend, repeal, suspend, or apply policies according to its assessment of the needs and interests of the school system, subject only to such limitations on the exercise of such prerogatives as may be imposed by law.

[Reference: ALA. CODE § 16-8-4 (1975)]

Budgets will be “balanced” such that the expenditures set forth in the budget for the fiscal year will not exceed revenues and any fund balances on hand.

The Superintendent or Chief School Financial Officer will inform the Board before the Board votes on a budget or budget amendment that will prevent the establishment or maintenance of a one-month’s operating balance. A one-month’s operating balance shall be determined by dividing the General Fund expenditures and fund transfers out by 12. 3.5 *Fund Balance Policy in Accordance with GASB Statement No. 54*

3.5.1 Governmental Funds Definitions – The following definitions will be used in reporting activity in governmental funds. The Board may or may not report all fund types in any given reporting period, based on actual circumstances and activity.

- a. The General Fund is used to account for and report all financial resources not accounted for and reported in another fund.
- b. Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.
- c. Debt Service Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest, even if it is being accumulated for future years' payments. Debt Service Funds should be used to report resources if legally mandated.
- d. Capital Projects Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets.

3.5.2 Fund Balances – Fund balances will be reported in governmental funds under the following five categories using the definitions provided by GASB Statement No. 54:

- a. Nonspendable fund balances include amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. Examples of nonspendable fund balance reserves for which the fund balance shall not be available for financing general operating expenditures include: inventories, prepaid items, and long-term receivables.
- b. Restricted fund balances consist of amounts that are subject to externally enforceable legal restrictions imposed by creditors, grantors, contributors, or laws and regulations of other governments; or through constitutional provisions or enabling legislation. Examples of restricted fund balances include: restricted grants.

- c. Committed fund balances consist of amounts that are subject to a purpose constraint imposed by formal action of the Board before the end of the fiscal year and that require the same level of formal action to remove the constraint.
- d. Assigned fund balances consist of amounts that are intended to be used by the school system for specific purposes. The Board authorizes the Superintendent or Chief School Finance Officer to make a determination of the assigned amounts of fund balance. Such assignments may not exceed the available (spendable, unrestricted, or uncommitted) fund balance in any particular fund. Assigned fund balances require the same level of authority to remove the constraint.
- e. Unassigned fund balances include all spendable amounts not contained in the other classifications. This portion of the total fund balance in the general fund is available to finance operating expenditures.

3.5.3 Priority – When expenditure is incurred for purposes for which both restricted and unrestricted (committed, assigned, or unassigned) amounts are available, it shall be the policy of the Board to consider restricted amounts to have been reduced first. When an expenditure is incurred for the purposes for which amounts in any of the unrestricted fund balance classifications could be used, it shall be the policy of the Board that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts.

3.5.4 Review and Reporting – The Board of Education along with the Superintendent and Chief School Finance Officer will periodically review all restricted, committed, and assigned fund balances. The Chief School Finance Officer will prepare and submit an annual report of all restricted, committed, and assigned funds for the Board of Education.

3.6 Audits

Business and financial transactions of the Board and the records of Board financial accounts will be audited in accordance with state law and appropriate auditing and accounting standards.

[Reference: ALA. CODE §16-13A-7 (1975)]

3.7 Inventories

The Superintendent is required to establish effective procedures to account for all materials, equipment, and other Board property. These procedures will include an annual inventory and evaluation of tangible Board property (including fixed assets and supplemental property), to be completed no later than the end of each fiscal year, with appropriate reports submitted to the Superintendent and Chief School Financial Officer. Inventories will be kept on forms prescribed or approved by the Chief School Financial

Officer. Inventory forms will show items on hand at the beginning of the fiscal year, items lost, items disposed of, items purchased or otherwise added during the year, and items on hand at the end of the fiscal year.

[Reference: ALA. CODE §§16-13A-1, 6 (1975)]

3.8 *Purchasing*

Purchases will be made in accordance with an approved purchase order system that will include such requirements and procedures as may be established in the Board Finance Manual.

3.9.2 Investments – The Board authorizes the investment of surplus funds in the manner prescribed by law and approved administrative guidelines.

3.9.3 Expenditures – The Superintendent or their designee may spend funds budgeted for operations in an amount not to exceed \$49,999 per transaction without prior Board approval unless the expenditure involves a capital outlay or is subject to the bid law. The Superintendent’s expenditure authority shall include, but not be limited to, the prerogative to engage professional consultants, specialists and experts, including but not limited to medical, mental health, educational, legal, financial, technical (e.g., engineering, architectural, computer) experts and specialists subject to the \$49,999 per transaction limit.

The term “transaction” and the limit specified above applies to the transaction as a whole and not to portions, segments, or phases of a project or undertaking. [Reference: ALA. CODE §16-13A-8 (1975)]

3.9.4 Competitive Bid Law – All purchases will be made in compliance with the competitive bid law, when applicable, and with such corresponding rules, regulations, and procedures as may be set forth in the Board’s Finance Manual. [Reference: ALA. CODE §16-13B-1, *et seq.* (1975)]

3.9.5 Authorized Signatures – Checks drawn on the general fund or any special fund, with the exception of school accounts, require the signature of the Superintendent and the Chief School Financial Officer, or their alternates as designated by the

Checks drawn on Board funds may be signed and processed by electronic means, under the direction of the Chief School Financial Officer or Superintendent.

3.10 OMB Part 200

Federal funds subject to the requirements of the Office of Management and Budget’s Uniform Administrative Requirements, Cost Principles and Audit Requirements—Part 200 (“Part 200”) will be subject to the following policies:

3.10.1 Cash Management for Federal Funds –The Board will minimize the time between the receipt of federal funds from the United States Treasury, the Alabama Department of Education, or other pass-through entity, and the disbursement of those federal funds. Federal funds will only be requested to meet immediate cash needs for reimbursement not covered by prior receipts and anticipated disbursements that are generally fixed, such as monthly program salaries and benefits. Disbursements will be made within twenty business days after receipt of funds.

The Chief School Financial Officer will maintain financial records that account for the receipt, obligation, and expenditure of each federal program fund. Cash balances for each federal program fund and for the aggregate of all federal program funds will be monitored by the Chief School Financial Officer or designee.

Board procedures to minimize the cash balances in federal program funds are expected to prevent the aggregate cash balances of federal program funds from earning \$500 or more for the fiscal year if maintained in interest-bearing accounts. The federal program funds, with the exception of Child Nutrition Program funds, will not be maintained in an interest-bearing bank account if the Chief Financial Officer determines that banking requirements for minimum or average balances are so high that an interest-bearing account would not be feasible. Federal program funds will be maintained in insured checking accounts that are subject to the state requirements for public deposits under the SAFE program.

3.10.2 Determination of Allowable Costs –

- a. Before instituting a financial transaction that will require the expedition of federal funds, the federal program director and the Chief School Financial Officer or designee will determine that the proposed transaction meets the requirements for allowable costs for the federal program. Actions to determine allowable costs will assure that:
 1. The proposed expenditure is included in the federal program budget;

2. The proposed expenditure is reasonable and necessary for the federal program;
3. The proposed expenditure is consistent with procedures for financial transactions of the board including:
 - A. Purchase order approval procedures;
 - B. Contract review and approval procedures;
 - C. Applicable competitive purchasing procedures; and
 - D. Documentation supports allowability of transaction.
- b. Before payments are made from federal funds, the federal program director and the Chief School Financial Officer or designee will determine that the federal program expenditure complies with generally accepted accounting principles and complies with state, local, and federal laws, rules and regulations

3.10.3 Travel Policy – Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by Board employees who are in travel status on official business of the Board. The Board’s travel policy provides for reimbursement and payments for travel costs of employees paid from federal funds that is consistent with the travel costs for Board employees paid from state or local funds.

3.10.4 Conflict of Interest Policy – Generally, a conflict of interest exists when a Board member, Board employee, or agent of the Board participates in a matter that is likely to have a direct effect on his or her personal and financial interests. A financial interest may include, but not limited to, stock ownership, partnership, trustee relationship, employment, potential employment, or a business relationship with an applicant, vendor, or entity. A Board member, Board employee, or agent of the Board may not participate in his or her official capacity in a matter that is likely to have a direct and predictable effect on his or her financial interests.

A Board member, Board employee, or agent of the Board will abide by the Federal and state laws and regulations that address conflict of interest standards. In general, the Federal rules provide that:

No employee, officer, or agent of the Board shall participate in selection, or in the award or administration of a contract supported by Federal funds if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs, or is about to employ any of the parties indicated herein, has a

financial or other interest in a tangible personal benefit from the firm considered for a contract. The Board's officers, employees, or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subcontractors.

The Board's conflict of interest policies include adherence to the Alabama Ethics Law, as it may be amended from time to time, which defines conflict of interest as:

A conflict on the part of a public official or public employee between his or her private interests and the official responsibilities inherent in an office of public trust. A conflict of interest involves any action, inaction, or decision by a public official or public employee in the discharge of his or her official duties which would materially affect his or her financial interest or those of his or her family members or any business with which the person is associated in a manner different from the manner it affects the other members of the class to which he or she belongs.

A Board member, Board employee, or agent of the Board may not review applications, proposals, or participate in the evaluation or selection process where his or her participation in the review process would create the appearance that he or she is: (a) giving preferential treatment; (b) losing independence and impartiality; (c) making decisions outside official and appropriate channels; or (d) harming the public's confidence in the integrity of the Board.

Situations and circumstances presenting an actual conflict of interest or the appearance of a conflict of interest should be brought to the immediate attention of the Superintendent. A Board employee, Board members, or agent of the Board who has knowledge of a possible conflict of interest should identify the conflict and notify the Superintendent. The Superintendent will document his or her actions related to the reported conflict of interest. Resolution can consist of disqualification, recusal, waiver, or other appropriate measures. Appropriate measures may include reporting a conflict of interest to the State Ethics Commission, the Alabama State Board of Education, or the appropriate federal agency.

- 3.10.5 Procurement Policy – The Board will follow state laws for the procurement of property and services. The primary state procurement laws for Alabama school boards are: Alabama Competitive Bid Laws (Chapter 13B of Title 16, Code of Alabama 1975); Joint Information Technology Purchasing Agreement (Chapter 13B of Title 16, Code of Alabama 1975); and Public Works Law (Title 39, Code of Alabama 1975).

To the extent allowed by state laws, the Board will utilize state, local, regional, and national purchasing agreements where appropriate for the procurement or use of goods and services. All procurement transactions are subject to the Board's Conflict of Interest Policy and the procurement decisions of the Board will:

- a. Avoid acquisition of unnecessary or duplicative goods and services;
- b. Use the most economical and efficient approach for acquisitions;
- c. Award acquisition contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of the proposed procurement;
- d. Consider contractor integrity, compliance with public policy, record of past performance, and financial and technical resources prior to awarding procurement contracts;
- e. Maintain records sufficient to document the history of the procurement; and,
- f. Conduct procurement transactions in a manner that provides full and open competition.

Procurement transactions for federal programs and child nutrition programs that are not subject to the state procurement laws, but exceed the aggregate amount of the federal micro-purchase threshold, will be obtained by utilizing price or rate quotes from two or more qualified sources. State procurement laws include requirements that comply with the other Uniform Administrative Requirements for procurement of property and services.

The Board will request proposals for those professional service contracts (excluding architectural and engineering services) that are exempt under state procurement laws if the contracts exceed \$250,000 and will be paid from federal or child nutrition program funds. The Board will utilize a team of three or more qualified individuals to conduct a technical evaluation of proposals received and for selecting recipients. As a part of the evaluation, the individuals on the evaluation team will sign an assurance that each of the individuals is in compliance with the Board's conflict of interest policy.

3.11 *Employee Compensation*

3.11.1 Salaries and Pay Rates – Board employees will be compensated at rates of pay that are approved by the Board. When required, such salary or compensation rates will be included in a schedule to be developed and adopted by the Board in accordance with state law. Employees may receive supplements or other additional compensation when specifically approved by the Board. All compensation must be approved by the Board, regardless of the source of funding.

[Reference: ALA. CODE §16-13-231.1 (1975)]

3.11.2 Salary Administration – Employees are expected to fulfill the work requirements of the position held for the full term of their appointment. Compensation will be prorated to reflect the number of days actually worked, subject to appropriate

adjustments, credits, and allowances for available leave. Salaries for full time employees will be paid over twelve months, regardless of the contract term. However, employees in the first year of employment with a school system in Alabama may opt to be paid over thirteen (13) months. Personnel will be paid in accordance with customary payroll procedures, which may be modified from time to time as the needs of the system require. No employee is entitled to compensation except for work performed by the employee in accordance with an approved contract or the applicable terms of appointment. Compensation may be withheld pending the employee's timely, accurate, and complete submission of all required records, data, and reports.

3.11.3 Salary Deductions –

- a. Mandatory salary deductions will be made in accordance with applicable law. Employees are required to complete and submit all forms and provide such information as may be required or reasonably required for such purpose.
- b. Deductions for membership dues will be made for organizations with at least fifty (50) Board employees as active members, as established by membership lists provided to the Board by the organization, if such deductions are allowed under state law and the organization has timely provided to the Board all certifications and expenditure reports required by law. Such membership lists will be corrected, updated, and returned to the organization no later than November 10 of each school year. Deductions shall be deducted for each succeeding year unless the employee revokes the deductions in writing on or before September 15 of that year. Deductions will remain constant during the school year, except by the authorization of the Superintendent.
- c. The Board will make other voluntary salary deductions upon written request of employees or groups of employees as required by law and in accordance with the Board's financial practices and procedures. The Board will not create a new voluntary salary deduction unless at least fifty (50) of its employees request the deduction.
- d. The Board will not be liable for any good faith error made in implementing a salary deduction that has been authorized by the employee. Upon termination of employment, any amounts owed under the terms of an employee authorization will be deducted from the employee's final pay.

[Reference: ALA. CODE §16-22-6; 17-17-5]

- ### 3.11.4 Minimum Wage and Overtime – In compliance with the Fair Labor Standards Act (“FLSA”), the Board will pay required minimum hourly wages and overtime to all employees who are not exempt employees under the FLSA. For purposes of determining overtime, the workweek begins at 12:01 a.m. on Sunday and ends at

midnight on the succeeding Saturday. All non-exempt employees who work more than forty (40) hours in a work week will be paid overtime. Employees must accurately report all time worked for the Board. Non-exempt employees are not authorized to work more than forty (40) hours in a workweek without specific direction or authorization to do so by the Superintendent, the employee's supervisor, or the supervising school principal.

- 3.11.5 Compensatory Time – Non-exempt employees who work more than (40) hours in a workweek may, upon agreement between the employee and the school system, be paid overtime in the form of compensatory time. Compensatory time will be based on time worked beyond forty (40) hours in a workweek, and will be recorded in minimum time units of one-quarter hour rounded to the nearest quarter of an hour. No more than two hundred forty (240) hours of compensatory time may be accumulated. The Board reserves the right to require an employee to use compensatory time as its needs require and may “pay down” any compensatory time balance at its discretion. The Superintendent is hereby authorized to develop procedures and forms for use in implementing this policy.

3.12 *Expense Reimbursement*

Board members and employees will be reimbursed for reasonable travel and subsistence expenses incurred in connection with official Board business. Reimbursement will be in accordance with Board approved rates and such procedures and standards for submitting and documenting such expenditures.

3.13 *Unauthorized Payments*

- 3.13.1 Notification to the Employee – Upon discovery of any unauthorized or erroneous payment or disbursement of funds to an employee, the Board will attempt in good faith to notify the employee of such unauthorized payment and to reach agreement with the employee, if possible, regarding the amount and terms of repayment. Notification to the employee will consist of a letter mailed or delivered to the employee's last known address. The notice will specify the amount owed, the method by which the amount was calculated, a proposed schedule of repayment, an opportunity for the employee to review or examine any documents or other evidence supporting the claimed overpayment, and an opportunity for the employee to object in person or in writing to the amount or manner of the proposed withholding to provide an alternative plan of repayment. Unless the Board's ability to recover funds in question could be jeopardized by doing so, the Board will arrange a reasonable schedule of repayment so as to avoid undue hardship to the employee.

- 3.13.2 Retention and Recovery Authorized – If no objection to the proposed withholding is received within a reasonable time (to be specified in the notification letter), monies may be retained in the manner and to the extent described in the notification. If the employee objects to the proposed withholding, the Superintendent or his designee may, upon consideration of the objection and

information and argument (if any) submitted in connection therewith, take such action as may be warranted under the circumstances and inform the employee in writing of the decision. If the employee is dissatisfied, he may contest the decision through the Board's grievance procedure. Monies may be withheld by the Board pending completion of the grievance process, provided that, should the Board later pay over to the employee monies that have been retained under authority of this policy, such payment(s) will reflect all appropriate deductions and will include accrued interest from the date of withholding at the rate specified by the then-effective rate applicable to interest on unpaid judgments under Alabama law. If, after exhausting reasonable efforts to do so, the Board is unable to contact the employee in the first instance, the Board may retain or withhold from compensation or other payments due the employee an amount sufficient to satisfy the indebtedness; provided that any such retention or withholding will be subject to review and reconsideration at the request of the employee.

3.13.3 Repayment Required as a Condition of Reemployment – The Board reserves the right to require repayment of any outstanding indebtedness as a condition to reemployment of any former employee.

3.13.4 Procedures Not Exclusive – The provisions, procedures, and method of review specified herein are in addition to those that are otherwise available to the parties under law for the retention or recovery of funds, and for administrative or judicial review thereof.

Nothing in this policy or in any schedule of charges authorized hereunder creates or expands any entitlement to copies of records or access thereto beyond that which is established by law or specific Board policy.

3.15 *School Accounts*

Funds held in school accounts, regardless of the funding source, will be maintained and accounted for in accordance with state law, the Board's Finance Manual, the Local School Finance Manual, and such procedures, rules, and regulations as may be developed by the Chief School Financial Officer or the Superintendent. 3.16 Authority to Execute Contracts

- 3.16.1 General Authority – The President of the Board, or, in the absence of the chairman, the Vice-President, will have authority to execute contracts on behalf of the Board upon approval of the contract by the Board. All books, records, and official documents pertaining to the management of such organizations will be maintained at the local school and will be subject to examination and audit by the Board, the principal, or the State Examiners of Public Accounts. The use of funds collected, generated, or held by such organizations will be determined in accordance with the constitution, charter, or by-laws of the organization, with oversight by the sponsor of the organization, and subject to approval of the principal.
- 3.17.2 Booster Clubs, Parent-Teacher Associations, and Other Affiliated Organizations – Other organizations that are affiliated with local schools are permitted to operate or raise funds on Board property or at Board sanctioned events only in conformity with Board and State Department of Education policies, procedures, and standards concerning the fiscal management of such organizations.

- c. Adequate provision has been made for the security and proper accounting of funds collected;
- d. Other information regarding the nature, scope, and purpose of the activity is provided to school officials upon request;
- e. Appropriate arrangements have been made for any special activities to be held in conjunction with the fundraising event; and
- f. The activity has been approved by the principal. If an agreement or contract with a third-party is required to facilitate the fundraiser, the approval of the Superintendent is also required.

The Board will comply with applicable state and federal laws and regulations governing participation in such child nutrition program.

All PreK-12 students who do not have money to pay for a meal will be served. PreK-3 students or students with disabilities will always be provided a reimbursable meal regardless of whether the student has funds to pay for the meal. Students in grades 4-12 may be provided either a reimbursable meal or an alternate reimbursable meal at the discretion of the manager. Adult meals or a la carte items for students or adults are not allowed to be charged.

Charged meals are not considered an allowable expense. Therefore, all uncollected charges will be the responsibility of the school where the charge was made. All charges must be paid to the Child Nutrition Program at the end of the school year using non-public funds.

If an adult sex offender has a legitimate need to conduct business on any property of Lauderdale County Board of Education, he or she must first seek permission in writing from the Superintendent of Education and must thereafter, at his or her own expense, employ a law enforcement official (sheriff’s deputy or municipal police officer) to accompany him or her while conducting said business.

Should an adult sex offender set foot on any Lauderdale County School campus, building, property, bus or any other property owned, leased, operated or otherwise under the control of the Lauderdale County Board of Education without first having sought such written permission will be prosecuted for criminal trespass and any other appropriate charges as defined in the Code of Alabama.

4.4.2 Use of Board Facilities – Schools and other Board owned or controlled facilities may be made available for use by sanctioned or generally recognized school support organizations if the use of the facility will not disrupt school operations or be inconsistent with the purpose and mission of the school system, and if adequate advance provision is made for security, supervision, maintenance, damage prevention, post-event clean-up, liability insurance, and other risk management measures appropriate to the proposed use. 4.6 *Complaints and Grievances*

4.6.1 General Complaints (Grievances) – Subject to the limitations set forth below and elsewhere in this policy manual, any employee or member of the public may present to the Board a concern, complaint, grievance, or request for corrective action regarding any aspect of school system operations. Before requesting corrective action or relief from the Superintendent or the Board, persons with such complaints, grievances, or requests should present them for resolution to the employee, supervisor, or administrator at the lowest administrative level who has

the authority and ability to address the problem or to implement the requested action. The Superintendent is authorized to develop specific procedures that will provide for fair consideration and orderly review of complaints and grievances. Such procedures may not unreasonably burden or delay the presentation or processing of such matters, and will be subject to Board review, modification, and approval.

- 4.6.2 Limitations Regarding Availability and Application of General Complaint/Grievance Policy – The general complaint/grievance policy and any procedures adopted thereunder do not apply to specific complaint or grievance policies and procedures that are established by Board policy or law for application to special factual or legal circumstances (e.g., sexual harassment grievance procedures; review of personnel matters under the Students First Act; “due process” hearings provided under the Individuals with Disabilities Education Act). In such instances, the specific statutory, regulatory, or policy-based process is the applicable procedure. The general complaint/grievance procedures that are authorized under the terms of this policy may not be invoked for the purpose of challenging or seeking review or reconsideration of adverse personnel decisions that have received final Board approval. A grievance may be based on an alleged misapplication of Board policies, regulations, or procedures, but may not be used to challenge the Board’s exercise of its discretion to adopt, approve, modify, or repeal a policy, regulation, or procedure or on its failure to exercise such discretion (e.g., adoption of a school calendar, compensation policies, etc.).
- 4.6.3 Student Complaints and Grievances – Complaints, grievances, and requests for corrective action may be brought to the attention of the Board by or on behalf of students with respect to academic, athletic, extracurricular, or other non-disciplinary matters, issues, and concerns only after reasonable efforts to resolve the matter at the school and administrative levels have been exhausted. The Superintendent is authorized to develop specific procedures that will provide for fair consideration and orderly review of such complaints and grievances. Such procedures will not unreasonably burden or delay the presentation or processing of the complaint or grievance and will be subject to review and approval by the Board. Administrative judgments concerning academic or curricular matters or participation in extracurricular activities may be set aside by the Board only upon a showing that the action or decision in question is arbitrary and capricious, fundamentally unfair, or that it violates Board policy or the student’s legal rights.
- 4.6.4 Student Disciplinary Matters – The Board may consider appeals of student disciplinary decisions or actions in accordance with standards and procedures specified in the Parent/Student Handbook.
- 4.6.5 Public Complaints – Nothing in this policy shall be construed to deny any member of the public the right to petition the Board for consideration or action regarding any matter of public concern falling within the statutory jurisdiction of the Board, provided that the person can demonstrate that he or she is impacted by the alleged violation to a greater extent than the impact on the public at large.

4.6.6 Americans with Disabilities Act Complaint Procedure -

- a. *Complaint Criteria* – Persons who believe that they have been discriminated against on the basis of disability in the provision of services, activities, programs, or benefits covered by Title II of the Americans with Disabilities Act may file a written complaint with the ADA Coordinator.
- b. *Complaint Form* – The complaint should be in writing and contain information about the alleged discrimination including the name, address, phone number of complaining party and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request.
- c. *Complaint Process* – The complaint should be submitted to the ADA Coordinator as soon as possible, but no later than thirty (30) days after the alleged violation. The ADA Coordinator will meet with the complaining party to discuss the complaint and possible resolutions. Within fifteen (15) calendar days of the meeting, the ADA Coordinator will respond in writing, and where appropriate, in a format accessible to the complaining party, such as large print, Braille, or audio tape. The response will explain the position of the Board and offer options for substantive resolution of the complaint.
- d. *Appeal Procedure* – If the response by the ADA Coordinator does not satisfactorily resolve the issue, the complaining party may appeal the decision within fifteen (15) calendar days after receipt of the response to the Superintendent. Within fifteen (15) calendar days, the Superintendent will respond in writing, and where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.
- e. *Records Retention* – All written complaints received by the ADA Coordinator, appeals to the Superintendent, and records relating thereto will be retained by the Board for at least three (3) years.
- f. *Additional Procedures Authorized* – The Superintendent is authorized to develop such procedures as are necessary to implement this policy.

4.7 Risk Management

The Board may obtain such liability and other forms of insurance or enter into such risk management agreements, pools, cooperatives, and like arrangements, agreements, or undertakings as it deems necessary and appropriate to meet legal requirements or to protect the Board, its employees, or its property from risk of loss.

4.8 *Emergency Closing of Schools*

- 4.8.1 Authority of Superintendent to Close Schools – The Superintendent is authorized to close schools if such action is warranted by weather conditions or other circumstances that pose a risk to the safety and welfare of students and employees, or that render meaningful instruction impossible (e.g., loss of power or other utility services).
- 4.8.2 Make-Up Dates – To the extent not provided for in the school calendar, any days lost by reasons of an emergency closing will be made up, if necessary, to reflect any extension or adjustment of the school year required by such action, unless approval to waive the days is obtained in accordance with state law.

4.9 *Internet Safety and Use of Technology*

- 4.9.1 Access to Technology Resources – The Board permits restricted and conditional access to and use of its technology resources including, but not limited to: computers, the “Internet,” network storage areas, and electronic mail. Such access and use is restricted to employees, students, and other persons who are engaged in *bona fide* educational and administrative activities that serve and are consistent with identified educational objectives or authorized support functions, and who, by signing an “Acceptable Use Agreement,” agree to abide by all Board policies, rules, and regulations regarding technology use. The Acceptable Use Agreement will be developed by the Superintendent for approval by the Board.
- 4.9.2 Restriction or Loss of Technology Privileges – Persons who violate any Board policy, rule, or regulation regarding technology use may be denied use of the Board’s technology resources and may be subject to additional disciplinary action.
- 4.9.3 Ownership of Technology Resources and Data – All technology resources, including network and Internet resources, e-mail systems, and computers or other access devices owned, leased, or maintained by the Board are the sole property of the Board. System technology personnel may, at any time and without prior notice, access, search, examine, inspect, collect, or retrieve information of any kind from the Board’s technology resources, including computer or related equipment, files, and data, to determine if a user is in violation of any of the Board’s policies, rules, and regulations regarding access to and use of technology resources, for or in connection with any other matter or reason related to the safe and efficient operation or administration of the school system, or for any other reason not prohibited by law. Users of school system technology resources have no personal right of privacy or confidentiality with respect to the use or content of such resources.
- 4.9.4 Adoption of Rules and Regulations – The Superintendent is authorized to develop for Board approval additional or more specific rules and regulations regarding access to and use of its technology resources and to require adherence to such

rules and regulations through such means as the “Acceptable Use Agreement” and application of appropriate disciplinary policies and procedures. Such rules and regulations will address or provide:

- a. Measures to block or filter Internet access to pictures that are obscene, that constitute child pornography, or that are harmful to minors;
- b. Restriction of access by minors to inappropriate material on the Internet;
- c. The safety and security of minors when they are using electronic mail, chat rooms, and other forms of direct electronic communications;
- d. Prevention of “hacking” and other forms of unauthorized use of or access to computer or Internet files, sites, databases or equipment;
- e. Unauthorized disclosure, use, and dissemination of personal information regarding minors;
- f. Restriction of minors’ access to harmful material; and
- g. Educating minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response.

4.9.5 Limitation on Liability – The Board makes no warranties of any kind, either express or implied, that the functions or the services provided by or through the Board’s technology resources will be error-free or without defect. The Board will not be responsible for any damage users may suffer including but not limited to, loss of data or interruption of service.

[Reference: 47 U.S.C. §254(h) and (l)]

4.10 *Data Governance and Use*

The Superintendent is authorized to establish procedures governing the storage, use, and sharing of data maintained electronically by the school system. Such procedures shall comply with applicable state and federal law and shall include provisions for data security (including physical security measures), access controls, quality control, and data exchange and reporting (including external data requests and third-party data use). Nothing in this policy or in any procedures authorized hereunder creates or expands any entitlement to confidentiality of records beyond that which is established by law or specific Board policy.

Any unauthorized access, use, transfer, or distribution of Board data by any employee, student, or any other individual may result in disciplinary action (up to and including termination for employees) and other legal action.

4.11 Political Activity

Board employees may participate in political activities to the full extent permitted by the United States Constitution and federal and state laws securing the right to engage in such activities, subject to the following restrictions:

- a. Employees may not appropriate Board property or resources for use in political campaigns, and may not engage in partisan political activities (including, but not limited to, the distribution of campaign material or literature) during regular school or duty hours or at Board sponsored or sanctioned events, functions, or activities at which the employee is on duty or assigned official responsibilities;
- b. Employees may not represent their political beliefs or positions on political matters to be those of the Board or other Board officials, or to falsely assert or imply that their political activities or positions are endorsed by or undertaken in the name of the Board or other Board officials;
- c. In order to avoid disruption to the classroom and the school, employees may not wear or display political buttons, clothing, or banners during regular school or duty hours or at Board sponsored or sanctioned events, functions, or activities at which the employee is on duty or assigned official responsibilities;
- d. Candidates and representatives of candidates for political office may not be invited or allowed to address student groups except when such candidates are participating in a forum or like format that is designed to provide all candidates the opportunity to participate. Such forums may be conducted only for appropriate age groups, and with the advance approval of the school principal and the Superintendent; and
- e. Political signs may not be placed on schools or school board property. Campaign literature and other material may not be distributed on Board property during the regular school or work day, and may not be distributed at school or Board sponsored events or activities in a manner that impedes the normal and safe movement of pedestrian or vehicular traffic, that creates any other safety hazard or risk, or that disturbs or disrupts the function, activity, or event.

4.12 Automatic External Defibrillator (AED)

A program to place and monitor Automatic External Defibrillators (AEDs) and train school personnel shall be provided as required by Act 2009-754, Section 16-1-45. A procedural guideline will be at the Superintendent's office and at each school. The local emergency communication/dispatch center is aware of the location and type of AEDs used in the school system per Code of Alabama (1975) §6-5-332.3 (d)(1)(2)(3), §6-5-332.3(e)

4.13 *Service Animals*

The Board acknowledges its responsibility to permit students and/or employees with disabilities to be accompanied by a “service animal” in its school buildings, in classrooms, and at school functions, as required by the Americans with Disabilities Act, 28 CFR Part 35, subject to the following:

- a. *Service Animal* – A “service animal” means a dog, or in specific circumstances a miniature horse, that has been individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition. The work or tasks performed by a service animal must be directly related to the handler’s disability or necessary to mitigate a disability. The crime deterrent effect of an animal's presence and the provision of emotional support, well-being, comfort, or companionship do not constitute work or tasks for purposes of this definition.

School officials may ask the owner or handler of an animal whether the animal is required because of a disability and what work or task the animal has been trained to do unless the answers to these inquiries are readily apparent. School officials may not ask about the nature or extent of a person's disability and may not require documentary proof of certification or licensing of the animal as a service animal.

- b. *Requirements that must be Satisfied Before a Service Animal will be Allowed:*
 1. *Request* – Any request for an individual with a disability to be accompanied by a service animal must be addressed in writing to the Superintendent of Schools and must contain documentation of vaccinations. This written request must be delivered to the Superintendent prior to bringing the service animal to school or to school functions. The request must be renewed each school year.
 2. *Vaccinations* – The service animal must be immunized against diseases common to that type of animal. Owners of a service dog must provide annual proof of the following vaccinations: DHLPPC (Distemper, hepatitis, Leptospirosis, Parainfluenza, Coronavirus), Bordetella, and Rabies.
 3. *Health* – The service animal must be in good health. The service animal must be kept clean and groomed to avoid shedding and dander. The service animal must be treated for, and kept free of, fleas and ticks. The service animal must be spayed or neutered.
 4. *Control* – A service animal must be under the control of its handler at all times. The service animal must have a harness, backpack, vest identifying the service animal as a trained service animal, leash (blaze orange in color for hearing service animals), or other tether unless either the handler is

unable because of a disability to use a harness, backpack, vest, leash, or other tether, or the use of a harness, backpack, vest, leash, or other tether would interfere with the service animal's safety or effective performance of work or tasks, in which case the service animal must be otherwise under the handler's control.

- c. *Service Dogs in Training* – Experienced trainers of service animals may be accompanied on school property by a dog that is in training to become a service animal. The dog must be at least six months of age. Trainers must wear a jacket identifying the organization to which they belong. Persons conducting continuing training of a service animal may be accompanied by a service animal while on school property for the purpose of school business. Persons who are part of a three-unit service dog team may be accompanied by a service dog while on school property provided that person is conducting continuing training of a service dog. A three-unit service dog team consists of a trained service dog, a disabled person, and a person who is an adult and who has been trained to handle the service dog. The dogs may accompany these persons while on school property for school purposes.
- d. *Use of Harness, Vest, etc.* – A dog that is in training to become a guide dog or a currently trained guide dog that is undergoing continuing training must be in a harness.
 - 1. A dog that is in training to become a hearing dog or a currently trained hearing dog that is undergoing continuing training must be on a blaze orange leash.
 - 2. A dog that is in training to become a service dog or a currently trained service dog that is undergoing continuing training must be in a harness, backpack, or a vest identifying the dog as a trained service dog.
 - 3. The training cannot disrupt or interfere with a school's educational process. It is expected that training would not normally take place in the classroom during instructional time.
 - 4. All requirements of this policy which apply to service animals, such as health certificates, annual written requests, and supervision, care and damages, also apply to dogs in training.
- e. *Miniature Horses* – The school district will make reasonable modifications in policies, practices, or procedures to permit the use of a miniature horse by an individual with a disability if the miniature horse has been individually trained to do work or perform tasks for the benefit of the individual with a disability. In determining whether reasonable modifications in policies, practices, or procedures can be made to allow a miniature horse into a specific facility, the school district must consider the following factors:

1. The type, size, and weight of the miniature horse and whether the facility can accommodate these features;
2. Whether the handler has sufficient control of the miniature horse;
3. Whether the miniature horse is housebroken; and
4. Whether the miniature horse's presence in a specific facility compromises legitimate safety requirements that are necessary for safe operation.

All additional requirements outlined in this policy, which apply to service animals, shall apply to miniature horses.

- f. *Extra Charges* – The owner or handler of a service animal cannot be required to pay an admission fee or a charge for the animal to attend events for which a fee is charged.
- g. *Supervision and Care of Service Animals* – The owner or handler of a service animal is responsible for the supervision and care of the animal, including any feeding, exercising, and clean up. The school district is not responsible for providing a staff member to walk the service animal or to provide any other care or assistance to the animal. In the case of a young child or student with disabilities who is unable to care for or supervise the service animal, the parent is responsible for providing care and supervision of the animal. Issues related to the care and supervision of service animals will be addressed on a case-by-case basis at the discretion of the Superintendent or his/her designee.
- h. *Damages to School Property and Injuries* – The owner or handler of a service animal is solely responsible for any damage to school property or injury to personnel, students, or others caused by the animal.
- i. *Removal of Service Animals from School Property* – A school administrator can require an individual with a disability to immediately remove a service animal from school property under the following circumstances:
 1. The animal is out of control or acts aggressively and the animal's handler does not take effective action to control it;
 2. The animal is not housebroken;
 3. The presence of the animal poses a direct threat to the health or safety of others;
 4. The presence of an animal would require a fundamental alteration to the service, program, or activity of the school division;

If the service animal is removed, the individual with a disability shall be provided with the opportunity to participate in the service, program, or activity without the service animal.

- j. *Denial of Access and Grievance* – If a school official denies a request for access of a service animal or a dog in training, the disabled individual or parent or guardian can file a written grievance with the school’s Section 504 Coordinator.

V. Personnel

5.1 *Employee Qualifications and Duties*

- 5.1.1 General Requirements – Employees have a duty to perform their jobs responsibly and in a conscientious manner. In addition to any specific job requirements set forth in job descriptions or elsewhere, employees are expected to meet the following general performance and service standards:

 - h. Employees shall at all times maintain appropriate, “professional” distance from students and shall not engage in conduct (including communication of any kind) that constitutes, solicits, or suggests sexual, romantic, or inappropriately familiar interaction with students.
 - i. Employees are required to report to work or to school functions in attire that is appropriate to their position and the nature of the function and that is in keeping with generally accepted standards of decorum and professionalism.

- j. Employees shall promptly disclose to the Board any fact that would disqualify them from employment or that renders them unable to perform their essential job functions.

5.1.2 Special Requirements -

1. *Work Schedules (Classified)* – An established work schedule, including minimum work times, for all classified support personnel will be developed by system supervisory personnel. All classified employees are to work their assigned schedule, and to report at their assigned time, unless otherwise directed by their immediate supervisor or the Superintendent.
2. *Work Schedules (Certified)* – Supervisory and instructional duties of teachers commence a minimum of fifteen (15) minutes prior to the beginning of the official school day for students and conclude fifteen (15) minutes after the dismissal of students. Assignments and duties may extend beyond the instructional day and may include off-campus functions, events, and activities; conferences and meetings with parents; supervision of student arrival and departure; and preparation for the following instructional day.
3. *Work Schedules (Supervisory)* –The Superintendent is authorized to establish work schedules for all supervisory positions in order to meet the needs of the school system.
4. *Professional Certification* – In addition to requirements established by the State Board of Education and the pertinent job description, professional employees must hold a degree from an accredited college or university and hold a current, valid, and properly endorsed Alabama Teacher’s Certificate, which will be maintained in the Superintendent’s office. A teacher who has completed the certification process but has not received the certificate may be employed on tentative or temporary compensation pending verification of certification from the State Department of Education. Upon receipt of such verification, appropriate adjustments will be made to the teacher’s salary. If a teacher earns a higher certificate that merits increased compensation under the approved salary schedule, any salary increase will become effective upon Board approval following receipt of documentation of the new certification from the State Department of Education.
5. *Substitute Teachers* – Substitute teachers must, at a minimum, possess a high school diploma or its equivalent and a valid and current Alabama Substitute Teacher’s Certificate or Alabama Teacher’s Certificate.
6. *Teacher Aides* – Teacher Aides must, at a minimum, possess:
 - (i) a high school diploma or its equivalent;

 - (iii) a certificate from the State Department of Education verifying a “clear” status resulting from a background check.
7. *Bus Drivers* – Must meet all requirements established by the State Board of Education and must meet any requirements of the entity providing the Board’s automobile liability coverage.

5.2 *Hiring*

5.2.1 Application Procedures – Job applicants for all positions must file a formal application as directed by the school system. Applications must be completed in full. All information provided in the application must be truthful. Any misrepresentation of a material fact on an employment application may disqualify the applicant from consideration for the position and may subject an employee to adverse employment action, including termination.

5.2.2 Qualifications – Applicants must meet the minimum qualifications of the position as provided in Board policy, the job description for the position, the posted advertisement for the position, or as may otherwise be established by the Board, applicable law, or regulation. Applicants must hold such degrees, licenses, certificates, and like credentials as may be necessary, appropriate, or customary for the position in question.

5.2.3 Hiring Authority – The Board is responsible for making all final hiring decisions, and no hiring decision is official, final, or effective unless and until it is approved by a vote of the Board. No principal, administrator, supervisor, or other employee has authority to hire an applicant without Board approval or to commit the Board to specific action regarding employment.

5.2.4 Nepotism -

- a. *Supervisory Relationships* – Employment decisions and relationships that violate any provision of Alabama law, including state ethics and nepotism laws, are prohibited. The Superintendent is authorized to take action to identify and correct violations of the policy in a manner consistent with applicable law.
- b. *Employment of Family Members* – Board members, administrators, or supervisors may not use their positions to directly or indirectly seek or secure the employment of any family member as defined in the Alabama Ethics Law.
- c. *Selection of Impartial Person* – When law or policy mandates the recusal of a board member, official, or employee (“disqualified official”) from

involvement in a decision involving the employment or possible employment of a relative or other person and permits or requires an objective, neutral, or impartial person (“the surrogate official”) to exercise some or all of the functions of the disqualified official with respect to the decision or action in question, the surrogate official shall be deemed objective, neutral or impartial if he or she:

1. Is not related by blood or marriage to the disqualified official or the person whose employment status is at issue, or of any applicant in a multi-member field of persons under consideration for employment or advancement;
2. Does not work under the direct or indirect supervision of the disqualified official, of any person who selects the surrogate official, of any person whose employment status could be affected by the action or decision at issue;
3. Has no personal or financial connection to the disqualified official, to any person whose employment status could be affected by the action or decision at issue, to any other person involved or affected by the action or decision at issue in a way that would call into question the surrogate official’s objectivity, neutrality, or impartiality; and
4. By education, training, and experience has a sufficient understanding of the employment qualifications and other factors and considerations that bear upon the action or decision at issue to make an informed report and recommendation to the Board.

After considering any report or recommendation that may be made by the surrogate official, the Board may approve such recommendation or remand the matter in question for a different recommendation.

[Reference: ALA. CODE §16-22-15.1]

5.3 *Probationary Employment*

5.4 *Non-Teaching Supplemental Duties*

Compensation in the form of supplements may be paid for non-instructional supplemental duties in accordance with rates specified or established for such duties in the Board’s official salary schedule. Such duties include coaching and sponsorship of athletic as well as scholastic activities. Such supplemental duties are considered additional non-teaching assignments to be made and approved on an annual basis or otherwise as the needs of the school require. Such supplemental duties are not

considered to be a part of a teaching contract or appointment, and no tenure, continuing service status, non-probationary status, or contractual right to continued employment or compensation for such supplemental assignment will be recognized or implied in the absence of a separate written contract of employment providing for such rights.

5.5 *Professional Development*

The Superintendent will develop and implement an ongoing program of professional training and development that is designed to enhance the competencies of professional and support staff. Employee attendance and participation in such training institutes, workshops, seminars, and programs may be made mandatory by the Superintendent. The unexcused failure of an employee to attend or participate in such professional development activities may constitute grounds for termination of employment or other disciplinary action.

5.6 *Employee Conflicts of Interest*

Employees may not use their offices or positions for personal gain and must adhere to applicable provisions of the Alabama Ethics Law. Employees may only engage in outside employment under the following terms and conditions:

- a. Employees will not engage in outside business activities or render any service for another employer during such time as duties and responsibilities have been assigned by the Board;
- b. Employees will not accept outside employment that would interfere with or impair the ability of the employee to perform duties as a Board employee effectively;
- c. Employees may not accept work that could compromise the employee's independent judgment in the exercise of duties for the Board;
- d. Employees may not use or disclose confidential information acquired through Board employment for their personal gain or for the benefit of a third party.

5.7 *Employee Gifts*

Employees may accept occasional gifts from students or other members of the public if the gifts are in accordance with the Alabama Ethics law and any other applicable law, provided that that a single gift from a person should not exceed twenty-five dollars (\$25.00) and that the total monetary value of the gifts from a person for that year should not exceed fifty dollars (\$50.00).

The Board allows, subject to the restrictions above, employees to accept occasional gifts or gift cards purchased from pooled donations within a class, team, or other school group or organization for the employee's personal use provided that the amount that each person gives should not exceed the above amounts.

Nothing in this policy should be construed to create restrictions on gifts beyond those that are specifically provided for by law or to allow conduct specifically prohibited by law.

Any person with a question about the application of the Ethics law to a particular gift should contact the Ethics Commission for clarification.

- c. State Playoffs are excluded from this free admission policy.
- d. The Lauderdale County Schools valid identification card is for free admission of the individual employee only and does not include any family members or guests.

5.9 *Employee Evaluations*

- 5.9.1 Certified Personnel – Certified employees (other than contract principals) will be evaluated in accordance with an evaluation program approved for use by the Alabama State Board of Education. Contract principals will be evaluated in accordance with rules, regulations, and requirements promulgated by the State Department of Education or as may otherwise be permitted by law.
- 5.9.2 Non-Certified Personnel – Non-certified personnel may be evaluated in accordance with criteria and procedures to be developed by the Superintendent.
- 5.9.3 Use of Evaluations in Connection with Employment Decisions – Unless prohibited by law (including applicable regulations) or the terms of the evaluation instrument, employment evaluations may be considered in making employment decisions, together with such other information and considerations as may reasonably bear upon the wisdom, necessity, or advisability of the employment decision. However, employment evaluations are intended to enhance the overall quality of the school system’s instructional program and are not intended to confer, constitute, or give rise to any individual right, entitlement, or enforceable expectation of continued employment or advancement. Accordingly, except as may be specifically provided otherwise in state law applicable to “contract principals,” employees do not acquire any employment right or right of legal action based on any

actual or alleged failure on the part of the Board or the evaluator to follow specific evaluation policies, regulations, or procedures.

- 5.9.4 Special Evaluation Situations – The Superintendent, the Chief School Financial Officer, and other employees who serve in positions of special trust or sensitivity may be evaluated by such means as may be permitted by law or applicable regulation or as agreed to in an employment contract
- 5.9.5 Exempt Personnel – Except when required by law or contract, temporary, substitute, and occasional employees, or employees appointed to supplemental positions (e.g., coaches, extracurricular activity sponsors) will not be formally evaluated in those roles.

5.10 *Personnel Records*

- 5.10.1 Content of Personnel Files – A central personnel file will be maintained for all regular employees. The personnel file may contain information regarding the employee’s current assignment, payroll status, and work history including, but not limited to: job qualifications, certification, licenses, employment contract(s), evaluation data, disciplinary information, and such other documents, written materials, and data as may be reasonably deemed necessary and appropriate by the Board for sound and efficient personnel administration. Anonymous material and other matters that are prohibited by law, regulation, or Board policy from being maintained in personnel files may not be included therein. Employees may reasonably supplement or respond in writing to any material contained in the personnel file with which they disagree and such responses will also be included in the personnel file.
- 5.10.2 Alternate Data Storage – Personnel file data may be stored or maintained electronically or digitally.
- 5.10.3 Confidentiality – In general, the contents of an employee’s personnel file will be deemed confidential except for documents, information, and materials that are matters of public information or public record under applicable state or federal law.
- 5.10.4 Access to Personnel Files – Board members, the Superintendent, Board administrators (including principals), bookkeeping personnel, and other persons whose duties reasonably require access to personnel files are authorized to view, copy, and use the contents of personnel files for purposes that are required by or in keeping with their official duties on behalf of the Board.

5.11 *Employee Leave*

- 5.11.1 Work Attendance an Essential Job Function – Punctual, regular attendance is an essential job function of every job and position, and employees are expected to report to work when scheduled to work and to remain at work each working day.

5.11.2 Absences – Except as otherwise authorized under Board policy, employees may be absent from work only in the following circumstances:

- a. Illness, injury or other qualifying reason for sick leave, or on-the-job injury leave under state law or the Family Medical Leave Act;
- b. Personal leave;
- c. Vacation leave;
- d. Professional leave;
- e. Military leave;
- f. Court leave;
- g. Other unpaid leave that is specifically approved by the Superintendent upon a showing of substantial hardship or extraordinary circumstances.

Employees who know in advance that they will be absent from work must notify the Board of the expected absence in accordance with procedures specified by the Superintendent or the Board. In the event of an emergency or incapacity that makes advance notice impractical, employees must notify the Board of their absence as early as possible. Except as otherwise provided or permitted, an employee who is absent from work without approved leave will be considered absent without leave in violation of Board policy and subject to appropriate disciplinary measures. Employees who are approved for paid leave or an absence will be paid at the regular daily rate of pay; however, a day of paid leave or absence will not be counted as a day worked for the purposes of computing overtime under the Fair Labor Standards Act. Pay will be reduced on a *pro rata* basis for leaves or absences not covered by sick, vacation, personal, or other appropriate form of paid leave. The continuation of benefits during an approved absence is subject to the provisions of the particular benefit policy or plan.

5.11.3 Paid Sick Leave -

- a. *Persons Eligible for Paid Sick Leave* – All regular full-time employees are eligible for paid sick leave.
- b. *Earning and Accumulation of Paid Sick Leave* – All eligible employees earn sick leave days at the rate provided for in state law. Eligible employees may accumulate sick leave as provided by state law.
- c. *Use of Sick Leave* – Eligible employees may only use paid sick leave for absences caused by the following:
 1. Personal illness;

2. Incapacitating personal injury;
 3. Attendance upon an ill member of the employee's immediate family, defined as a spouse, parent, child, sibling or any person with a close personal tie;
 4. Death of a family member, including a spouse, parent, child, sibling, mother or father-in-law, son or daughter-in-law, brother or sister-in-law, nephew or niece, grandparent, grandchild, aunt or uncle;
 5. Death or care of an individual with whom unusually strong personal ties exist because of a relationship other than those listed above.
- d. *Certification* – If the employee's principal or immediate supervisor has reasonable cause or suspicion to believe that an employee has abused or misused sick leave, a physician's statement verifying the existence and nature of the illness or medical condition may be required by the Board regardless of the number of days missed. Employees must certify that sick leave was used for one of the reasons provided in state law and specify the reason. Abuse of sick leave may subject the employee to disciplinary action.

5.11.4 On-The-Job Injury Leave – On-the-job injury includes an accident or injury to an employee that occurs in the course of performing job duties for the Board or when the employee is directed or requested by the employer to be on the property of employer and which prevents the employee from working or returning to the job. Employees who are accidentally injured on the job may be approved for paid “on-the-job injury” leave without using sick days, provided that:

- a. The employee submits a signed written account of the accident attested by a principal or supervisor within twenty-four (24) hours after the injury occurred. If the injured employee is not able to notify the Board, another person reasonably knowledgeable about the employee's condition and circumstances leading to the injury may provide the required notification.
- b. The injured employee submits written medical certification from the attending licensed physician stating that the employee was injured and cannot return to work due to a specified injury, if there is a reasonable expectation that the employee will return to work and, if so, the expected date of that return. The Board may require a second opinion from a Board specified physician, at its expense.

Upon a determination that the employee has been injured on the job and cannot return to work, the Board may maintain the employee's salary and benefits for the

period of incapacity caused by the injury, not to exceed ninety (90) days. An employee who is injured on the job may file a request for unreimbursed medical expenses and costs with the State Board of Adjustment. The Board will provide such reasonable assistance to the employee in filing the Board of Adjustment claim as is required by law, but assumes and will have no responsibility or liability for processing the claim or directly reimbursing the employee any unreimbursed medical expenses and costs. On-the-job injury leave will be administered in accordance with and subject to the requirements and limitations imposed by state law regarding such leave.

Only continuous years of service with the Lauderdale County Board of Education will be used for calculating the number of paid personal leave days available to an employee.

Personal leave must be requested in accordance with such procedures as may be established by the Superintendent or the Board. When reasonable, the request will be made a minimum of twenty-four (24) hours prior to the requested leave.

Personal leave will be taken in increments of one-half day and may not be taken immediately before or after a school holiday or in the first or last ten days of a school term, unless approved by the requesting employee's immediate supervisor.

All employees may elect to be compensated for unused personal leave at the end of the school year at the same daily rate of pay used for substitutes for their position. (June 30). Full time employees may choose by submitting a request to be

Only the superintendent may waive or approve changes to the above stated exceptions. The number of annual/vacation days earned by newly hired 240-day employees during their first year of employment will be prorated based on the employee's hire date.

5.11.7 Professional Leave – The Superintendent is authorized to grant professional leave with pay to Board employees to engage in educational activities which, in the judgment of the Superintendent, serve the needs and interests of the school system. The number of days approved for such leave will be at the discretion of the Superintendent. Activities associated with LCEA or ESPO may be granted as long as the expense of a substitute and all other related expenses shall be borne by the said organization(s).

5.11.8 Military Leave – Military leave is available to all eligible employees in accordance with state and federal law.

5.11.9 Court Leave/Jury Duty – Permanent and full-time employees are entitled to regular compensation while performing jury duty (ALA. CODE §12-16-8) or when the employee is summoned for school-related purposes under subpoena or other legal requirement to testify at trial in a court of law or in an administrative

Paid leave is not authorized for employees to meet with attorneys, to attend depositions, or to otherwise prepare for legal proceedings unless the presence of the employee is requested or required by the Board.

- 5.11.10 Leave of Absence – An unpaid leave of absence is governed by Section 16- 24C-13 of the Alabama Code. A leave of absence for a period of one year for good cause may be granted to an employee by an employer without impairing the tenured or non-probationary status of the employee. For valid reasons, the employer may extend the leave of absence for one additional year. The effect of unpaid leave on tenure, accrued sick leave, or retirement benefits is governed by law.

Employees may be granted an unpaid leave of absence upon and subject to the following terms, conditions and limitations:

- f. Return from a leave of absence is expected on the first day after the granted one-year leave of absence, unless a different return date was sought and approved by the Board. Employees wishing to extend the leave

of absence must make a request to the Superintendent within no less than thirty (30) days prior to the end of the first year's leave;

- h. Employees returning to active status following leave will be assigned to a position that is comparable but not necessarily identical to the position previously held, and only for which they are properly certified.

5.12 Family and Medical Leave Act (FMLA)

5.12.1 Eligible Employees – The FMLA is applicable to all persons who have been employed for at least twelve (12) months and have worked a minimum of 1,250 hours during that twelve (12) month period.

5.12.2 Medical Leave Provided by the Act – Under the FMLA, eligible employees are entitled to twelve (12) weeks of unpaid leave during any twelve (12) month period for one or more of the following reasons:

- b. The placement of a foster child or adoption;
- c. The care of an immediate family member, defined as a spouse, child or parent, with a serious health condition;
- d. The taking of medical leave because of the employee's own serious health condition.

For the birth, adoption, or foster placement of a child, the entitlement to leave for child care expires at the end of the twelve (12) month period beginning on the date of birth, adoption, or placement. Leave associated with the illness of a child will only be provided if the child is under eighteen (18) years of age or is incapable of self care due to physical or mental disability.

5.12.3 Serious Health Conditions – The term “serious health condition” means an illness, injury, impairment, or physical or mental condition that involves the following:

- a. Any period of incapacity in connection with or following inpatient care in a hospital, hospice, or residential medical care facility.
- b. Continuing treatment by a health-care provider, to include any period of incapacity due to:

1. A health condition, including treatment and recovery, lasting more than three (3) consecutive days, and any subsequent treatment or period of incapacity relating to the same condition;
2. Pregnancy or prenatal care;
3. A chronic, serious health condition which continues over an extended period of time, requires periodic visits to a health care provider, and may involve episodes of incapacity (e.g., asthma and diabetes);
4. A permanent or long-term condition for which treatment may not be effective (e.g. Alzheimer's, severe stroke) and for which supervision of a health-care provider is required; or
5. Multiple treatments for restorative surgery or for a condition which would likely result in a period of incapacity of more than three (3) days if not treated.

5.12.4 Military Family Leave Provided by the Act -

1. *Qualifying Exigency Leave* – Under the FMLA, an eligible employee with a spouse, child, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may utilize the twelve (12) week medical leave entitlement to address qualifying exigencies resulting from that service.
2. *Military Caregiver Leave* – An eligible employee, who is the spouse, child, parent, or next of kin of a covered service member, is entitled to take up to twenty-six (26) weeks (including any medical leave provided by the Act) of unpaid leave during any twelve (12) month period (beginning the first day of the leave) to care for an individual covered service member with a serious injury or illness incurred in the line of duty while on active duty that may render the service member medically unfit to perform the duties of the member's office, grade, rank, or rating. A covered service member is a member of the Armed Forces, including the National Guard and Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred in the line of duty on active duty.

5.12.5 Spouse Employed by the Board – Spouses who are both employed by the Board are limited to a combined total of twelve (12) weeks of family leave for the birth and care of a newborn child, for the placement of a child for adoption or foster care, for the care of a parent who has a serious health condition, and for qualifying exigency leave. Spouses who are both employed by the Board are limited to a combined total of twenty-six (26) weeks for military caregiver leave.

- 5.12.6 Intermittent Leave – An employee may take leave intermittently or on a reduced leave schedule only when medically necessary to care for a spouse, parent, or child or to receive planned medical treatment. Intermittent leave should be scheduled to the extent practicable so as not to unduly disrupt the operations of the Board. Intermittent leave may be further limited for teachers in accordance with federal law.
- 5.12.7 Notice – Employees seeking leave under the FMLA must provide thirty (30) days advance notice of the need to take leave when the need is foreseeable. When the need for leave is unforeseeable, employees should notify their supervisors as soon as possible. Employees must also provide notice of the need for qualifying exigency leave as soon as practicable.
- 5.12.8 Certification for Medical or Military Caregiver Leave – Every request for FMLA leave based upon the serious health condition of the employee or employee’s spouse, children, or parents, or leave as a military caregiver must be supported by medical certification issued by the appropriate health care provider on forms provided by the Board.

For leave based on a serious health condition of the employee or employee’s spouse, child, or parent, the Board reserves the right to obtain a second opinion from an independent health-care provider designated by the Board. If the opinion received by the employee and the second opinion conflict, the Board and the employee must agree on a third provider to issue a binding opinion. Both the second and third opinions (if necessary) will be at the expense of the Board.

- 5.12.9 Certification for Qualifying Exigency Leave – Certification will be required by the Board for requests for qualifying exigency leave. Certification must be timely submitted on forms available from the Board. For the first such request, certification may include a copy of the military service member’s duty orders or other military documentation.
- 5.12.10 Return to Work – The Board may require an employee who has taken leave due to the employee’s own serious medical condition to provide the Board with a healthcare provider’s certification in order to return to work. Any employee who takes leave under these provisions will be entitled to be restored to the original position held when the leave commenced or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
- 5.12.11 Maintenance of Benefits – Benefits accrued by the employee before leave is taken are not lost when approved FMLA leave is taken. Employees who are on approved FMLA leave will remain eligible to participate in benefit programs in which the employee was enrolled at the time of the leave, provided that the employee will continue to be responsible for payment of employee’s portion of any cost, premium, or like payment that is required to maintain eligibility for the coverage or benefit. An employee that does not return to work after FMLA leave, will be required to reimburse the Board for the cost of benefits coverage extended

to the employee during the leave, unless the reason for the employee's failure to return to work is (i) a continuing serious health condition suffered by either the employee or a family member, or (ii) other circumstances beyond the employee's control.

5.13 *Sick Leave Bank*

A "Sick Leave Bank" plan for full-time certified and classified employees is hereby established in accordance with applicable provisions of state law. A Sick Leave Bank Committee will be established to oversee the operations of the Sick Leave Bank in accordance with state law.

Personnel actions and decisions will be made without regard to factors or considerations prohibited by federal or state law (as such laws may from time to time be amended), including but not limited to: race, color, religion, sex, national origin, age, disability, and genetics.

5.14.2 Implementing Regulations Authorized – The Superintendent is authorized and directed to implement such rules, regulations, procedures, and directives as necessary and appropriate to implement and enforce this policy and any law prohibiting discrimination in the workplace, including the designation of one or more complaint/grievance investigators, officials, or coordinators, the development of complaint or grievance procedures for responding to allegations of unlawful discrimination, the provision of training or dissemination of instructional materials and advisories to appropriate staff members, and the administration of corrective or remedial action in response to violations of the law and of this policy.

5.15 *Sexual Harassment*

The Board strictly prohibits unlawful discrimination in all of its programs, offices, departments, and facilities. Sexual harassment, as defined by law, is a form of unlawful discrimination and will not be tolerated from employees or other persons associated with the Board.

5.15.1 Definition of Sexual Harassment – Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other physical or verbal conduct of a sexual nature when:

- a. Submission to such conduct or communication is made a term or condition, either explicitly or implicitly, of employment or other employment benefits provided by the Board;

- b. Submission to or rejection of such conduct by an individual is used as the basis for decisions affecting the individual's employment, or other benefits provided by the Board; or
- c. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

5.15.2 Examples of Prohibited Conduct – The following are examples of conduct that may constitute sexual harassment, depending on individual circumstances:

- a. Verbal harassment or abuse of a sexual nature, including graphic or derogatory comments, the display of sexually suggestive objects or pictures, and sexual propositions;
- b. Repeated unwelcome solicitation of sexual activity or sexual contact;
- c. Unwelcome, inappropriate sexual touching;
- d. Demands for sexual favors accompanied by implied or overt promises of preferential treatment or threats with regard to an individual's employment status.

5.15.3 Employee Complaint Resolution Procedure -

- a. *Reporting* – Any employee with reason to believe that he or she has been or is being subjected to any form of sexual harassment should report the matter immediately. Under no circumstances will an employee be required to present the complaint to the person who is the subject of the complaint.
- b. *Informal Complaint* – An employee may choose to submit a sexual harassment complaint to a supervisor for investigation and resolution at the departmental or local level without resorting to formal complaint procedures. If the supervisor is the subject of the complaint, the complaint may be submitted to the Superintendent for resolution. If the complaint is not resolved informally to the satisfaction of the complaining employee, the employee must contact the Superintendent to initiate formal complaint procedures.

5.15.4 Formal Complaint Procedure -

- a. *Persons Responsible for Receiving and Investigating Formal Complaints* – The Superintendent is responsible for receiving and investigating formal complaints regarding sexual harassment. The Chief School Financial Officer (CSFO) or an Assistant Superintendent are additional officials to which formal complaints can be reported. If the Superintendent is

unavailable or is the subject of the complaint, the alternate should be contacted regarding the formal complaint.

- b. *Complaint Form, Contents* – Formal complaints should be made in writing, signed by the complainant, and fully describe the circumstances surrounding the alleged harassment. Harassment complaints that cannot be made in writing should be memorialized by the Superintendent or designated alternate official.
- c. *Investigation* – The Superintendent will promptly investigate the complaint, review the results of any investigation with legal counsel or other appropriate officials, and then recommend appropriate action to be taken based on the investigation.
- d. *Review by the Superintendent and the Board* – A complaining party who is not satisfied with the investigation or resolution of the complaint may request that the Superintendent take additional or different action or present the complaint to the Board for its review and action. In such case, the Board will render a final decision as soon as practicable.

5.15.5 Confidentiality – To the extent possible, reports of sexual harassment will be kept confidential; however, complete confidentiality cannot be guaranteed.

5.15.6 Retaliation Prohibited – No retaliation or adverse action may be imposed as a result of a good faith complaint or report of sexual harassment. False accusations that are made in bad faith or for improper reasons may result in disciplinary action.

5.15.7 Penalties for Violation – Any employee who violates the terms of this policy or who impedes or unreasonably refuses to cooperate with a Board investigation regarding allegations of sexual harassment will be subject to appropriate disciplinary action, up to and including termination.

5.16 Reduction-In-Force

5.16.1 Definition and Scope –

- 1. This policy applies to reductions-in-force that are implemented by “layoffs” as defined by Ala. Code §16-1-33 (1975).
- 2. A reduction-in-force may be declared by the Board of Education and layoffs approved thereunder if the Board determines that decreased student enrollment or a shortage of revenues requires a reduction in the workforce (beyond normal attrition) in order to maintain effective provision of educational services or to meet the Board’s financial, legal, or operational obligations.

3. A “layoff” within the meaning of this policy is a separation from employment with the Board of Education. However, employees who are laid off under authority of this policy are eligible for recall to employment as conditionally provided in this policy. The term “layoff” does not include or apply to the expiration of temporary, occasional, or “at-will” appointments or to decisions not to renew or extend employment beyond the expiration of annual or other specified terms of appointment.

5.16.2 Criteria for Implementing Layoffs -

- a. The order, priority, rank, or selection of individual employees who are to be laid off under authority of this policy shall be determined on the basis of objective criteria. However, nothing herein shall be deemed or construed to limit or abridge the Board’s legislative discretion to identify areas, departments, groupings, or classifications for reductions (layoffs). (For example, the Board is not required to justify by objective criteria or otherwise a decision to implement layoffs in non-instructional categories or employees before doing so with instructional staff.)
- b. The criterion or criteria on which the layoffs are to be based shall be announced or otherwise made known by the Board to employees affected by the layoff no later than the date notice of the layoff is provided to the employees.
- c. “Objective criteria” within the meaning of this policy may include any lawful selection standard (or combination of standards) that is verifiable, calculable, measurable, or otherwise determinable by means or methods other than the personal or subjective judgments or opinions of the person(s) applying the criteria, and that would be expected to produce the same result if applied to the same employees or group of employees by different persons. For purposes of this policy, objective criteria may include, but are not limited to:
 - Seniority, longevity, or time in service that will be more specifically described in the notice of layoff that is provided to affected employees
 - Years of experience
 - Degrees, certification, or licensure
 - Job classification

5.16.3 Recall - Employees who have been laid off under the terms of this policy will be given priority in filling positions as enrollment or financial circumstances warrant, provided that:

1. The nature of the position and qualifications therefore have not materially changed;
2. The laid-off employee remains properly qualified, licensed, or certified; and
3. The laid-off employee confirms in writing his or her availability for and interest in re-employment to the Board's Director of Human Resources in accordance with any directives that may be contained in or transmitted in conjunction with the notice of layoff.

Circumstances permitting, and to the extent practicable, the selection of employees for recall will be based on the criteria that were applied to the layoffs themselves if there are more employees eligible for recall than positions available to fill. When layoffs occur over a period of time, the Board will take relative length of separation from service into consideration in assigning recall priority, other factors being equal. In no case will any right to be recalled to employment extend beyond one year from the effective date of the employee's layoff. Recalled employees will retain credit for the tenure, years of service, and the pay and benefit status they held on the effective date of their layoff. No pay, benefits, status, or additional rights will accrue or be credited to the recalled employee for the time he or she has been laid off.

- 5.16.4 Notice – Notification of layoff and recall shall be by United States certified or registered mail, hand delivery, or such other means as are reasonable under the circumstances. Upon receipt of notification of recall, a laid-off employee shall respond affirmatively to the notice of recall in accordance with such specific directions or instructions as may be contained therein. Any laid-off employee who does not so respond or who otherwise declines an offer of reemployment by the Board will be deemed to have waived any right to be recalled under the terms of this policy.

5.17 Searches (Personnel)

1. *Board Property* – All school system property, facilities, and grounds may be entered, inspected, and searched for any lawful purpose by Board officials or their designees at any time, without prior notice and to the fullest extent permitted by law. The right to enter, inspect, and search includes and extends to (but is not limited to) Board owned or controlled offices, desks, file cabinets, lockers, storage areas, computers, files, documents, data, and devices however and wherever kept, stored, or maintained.
2. *Employee Property* – The Board reserves the right to inspect employees' vehicles, purses, files, and other personal property if a supervisor forms a reasonable individualized suspicion that the property contains evidence of a violation of Board policy or contains any material, object, or substance that otherwise creates

or presents a risk of harm or injury to the school, the workplace, or persons therein.

3. *Use of Recovered Items* – Property, material, substances, information, or records that are obtained, discovered, or recovered as a result of a search may be retained and used for any lawful purpose.

For purposes of this policy, the residence of the student will be the residence of the custodial parent or legal guardian. If custody of the child is shared, alternating, or unclear, or if the child does not reside with a custodial parent or legal guardian, the domicile or actual physical residence of the child will control, except when there is evidence that the claimed residence of the child is not his actual residence, or that the claimed residence is fraudulently given as a means of avoiding or violating admission, enrollment, attendance, and residency standards and requirements.
- b. *Non-resident Students* – The school system may permit students who do not reside within the Lauderdale County School District to attend schools within the school system. The Board may establish criteria for admission of non-resident students, and may require the payment of tuition as a prerequisite to enrollment. Current requirements for non-resident students will be published in the Parent/Student Handbook.
- c. *Admission Policy for Homeless, Migrants, Immigrants, English Learner Students, and Children in Foster Care* – All homeless, migrant, immigrant, English Learner students, and children in foster care will have equal access to the same free appropriate public education, including public preschool education, provided to other children and youth and will be provided the opportunity to meet the same challenging state content and state student performance standards to which all students are held without being stigmatized or isolated.

The enrollment of homeless, migrant, immigrant, English learner students, and children in foster care shall not be denied or delayed due to any barriers that are specifically prohibited by applicable law, which may include the following:

- Lack of birth certificate,
- Lack of school records or transcripts,

- Lack of immunization or health records,
- Lack of proof of residency,
- Lack of transportation,
- Guardianship or custody requirements, or

d. *Homeless Students* –

Homeless students will continue in the school they attended before becoming homeless for the duration of their homelessness, or for the remainder of the academic year if the student becomes permanently housed during an academic year. Otherwise, a homeless student may be enrolled in any school in the system that non-homeless students who live in the attendance area in which the student is living are eligible to attend.

2. *Dispute Resolution* – When a dispute arises regarding school placement, the system will immediately enroll the homeless student in the school in which enrollment is sought by the parent, guardian, or unaccompanied youth, pending resolution of the dispute. The school will provide the parent, guardian, or unaccompanied youth with a written explanation of the decision, a statement of the right to appeal, and the procedure for appealing the placement decision. The principal of the school will notify the Board’s Homeless Liaison of the dispute.
3. The Homeless Liaison will expeditiously carry out the system’s dispute resolution procedures as detailed in the Board’s homeless student plan.

- e. *Students in Foster Care* – A student in foster care will enroll or remain in the student’s school of origin, unless it is determined that remaining in the school of origin is not in such student’s best interest.

If it is not in a student’s best interest to stay in the school of origin, a student in foster care may be enrolled in any school in the system that serves the attendance area in which the student is living, even if the student is unable to produce records normally required for enrollment. The school system will immediately contact the school last attended by the student to obtain relevant academic and other records.

[Reference: 20 U.S.C. §§6311(g)(1)(E)]

- f. *Students Expelled or Suspended from Other School Systems* – Any student who is under suspension or expulsion from another school system or a private, parochial, or other school will not be permitted to attend school until the student has satisfied the conditions for readmission set by the expelling or suspending board or authority in addition to generally applicable admission requirements established by the Board, which may include temporary attendance at the alternative school.]

- g. *Required Documentation* – Students are required to submit an Alabama Certificate of Immunization or Alabama exemption as prescribed by the Alabama Department of Public Health or private physician. The Superintendent may accept alternate forms of evidence or modify otherwise applicable requirements as necessary and appropriate to accommodate migrant, immigrant, limited English proficient or homeless students.

In addition, students entering the school system for the first time, regardless of grade level, are not required to submit a birth certificate, but may be requested to submit a birth certificate or another form of acceptable documentation to verify the student’s age. A social security number may also be requested, but such request is voluntary and is not a requirement of enrollment.

- h. *Placement of Students* – The Board will determine the placement of newly enrolled students in accordance with state law.

- Personal illness
- Hospitalization
- Emergency
- Death in immediate family
- Court subpoena
- Religious holidays
- Absences approved by the principal

Documentation supporting an excused absence must be submitted in a timely manner or the absence will be deemed to be unexcused. Excessive unexcused absences may result in a loss of academic credit or referral of the matter to juvenile or other appropriate legal authorities for investigation.

- 6.1.5 Truancy – Parents or guardians are required to ensure that students under their care, custody, or control attend school regularly. Habitual or excessive absence from school may require Board officials to refer the matter to juvenile authorities or to initiate truancy proceedings.

[Reference: ALA. CODE §16-28-1, *et seq.* (1975); Ala. Admin. Code 290-3-1-.02]

6.2 *Transfers and Withdrawals*

- 6.2.1 Transfers – The school system may permit transfers between schools within the school system for good cause. The school principal may approve or deny a transfer request in light of the stated reasons for the request, the capacity, resources of the schools, the student’s record (including behavior, grades, attendance, and other factors), and the best interests of the student and of the school system. The existence or availability of a transfer process does not create or give rise to any right to attend a particular school, and school assignment remains wholly with the discretion of the Board.
- 6.2.2 Withdrawals – No student of compulsory attendance age will be permitted to withdraw from school except in accordance with state law and any withdrawal procedures that may be developed by the Superintendent.

[Reference: Ala. Admin. Code 290-3-1-.02]

- b. Suitably summarize such materials on a concussion and head injury information sheet which is to be provided annually to current and prospective student athletes and their parents or guardians. Prior to the student’s participation in practice or competition, the head coach of the team must obtain and keep on file a copy of the information worksheet signed by the team member and his or her parent or guardian.

- c. Develop a program designed to educate coaches on how to learn to recognize the symptoms of a concussion and how to seek proper medical treatment for a person suspected of having a concussion. The training shall be provided by qualified medical personnel or persons with special expertise in recognizing and responding to concussions and brain injuries, and shall be offered to every coach prior to the beginning of practice for the athletic team that he or she coaches.
- d. Promulgate or otherwise inform coaches of the statutory requirement that a youth athlete must be removed “from participation and may not return to play the day of the injury and until the athlete is evaluated by a licensed physician and receives written clearance to return to play from a licensed physician.”

The Board may use information and forms prepared by the Alabama High School Athletic Association, as they may be revised from time to time, but nothing in any such materials should be interpreted or otherwise understood to create a duty or standard of care on the part of any person charged with its implementation.

6.5.2 Eligibility – Participation in Board sanctioned athletic programs and extracurriculars will be on such terms and conditions as may be approved by the Board and the requirements of any athletic or other association of which the Board or the applicable local school is a member. Schools may establish terms

and conditions for participation in such programs as long as school eligibility criteria are not inconsistent with system-wide eligibility or participation criteria, rules, regulations, or standards established by any athletic or other association or organization of which the Board or the school is a member, or any rule, principle, or provision of applicable law.

6.5.3 Eligibility Requirements – The Board prescribes the following regulations for eligibility in the school system to participate in all extracurricular activities.

- a. *Grades 10 – 12.* Students entering Grades 10 through 12 must, for the immediate preceding school year, have passing grades of at least a 70 composite numerical average and earn the appropriate number of credits in each of six (6) subjects that total six (6) Carnegie units of credit, including four (4) credits from the four (4) core subjects composed of English, science, social studies, and mathematics.
 1. Physical education may count as only one (1) unit per year.
 2. No more than two (2) Carnegie units may be made up during summer school. If a unit(s) or subject(s) is repeated in summer school, the higher numerical grade for the unit(s) or subject(s) may be used to compute the composite grade average.
 3. Eligibility will be determined on the first day of the local school year and will remain in effect for one (1) complete school year. Students ineligible at the beginning of an academic year may become eligible at the end of the first semester if they meet all academic requirements at that time. *Bona fide* transfers may be dealt with according to the rules of the Alabama High School Athletic Association for sports and rules to be developed by this Board of Education as they pertain to other extracurricular activities.
 4. Each eligible student involved in athletics must meet the definition of a regular student as defined by the Alabama High School Athletic Association.
 5. Any student who earns more than four (4) credits in the core curriculum in any given year or who accumulates a total in excess of the required four (4) per year may be exempt from earning the four (4) core courses in the succeeding year as long as that student remains on schedule for graduation with his/her class.
- b. *Grades 8 – 9.* Students entering Grades 8 and 9 must, for the immediately preceding school year, have a passing grade in five (5) subjects with a composite numerical average of 70 with all other rules applying the same as to students in Grades 10 – 12.

- c. *Grade 7.* Students promoted to the seventh grade for the first time are eligible.
- d. *Extracurricular Activities.* For the purposes of this subsection, extracurricular activities associated with athletics are defined as those recognized and sanctioned by the Alabama High School Athletic Association, and other extracurricular activities are defined as those that are sanctioned by a public school that are not related to a student's academic requirements or success in a course(s). Notwithstanding anything to the contrary in this policy, student participation in extracurricular activities offered by the school through math, science, band, choral, music, and other courses at events such as athletic events (pre-game, game, halftime, or other breaks), club conventions, parades, amusement park trips and competitions, trips by tour companies, performance at various meetings, etc. are extracurricular, and students academically ineligible under this policy will not be allowed to participate.

- f. *Approval of Curricular Activities.* School sponsors are required to submit a request for each curricular activity that occurs outside the regular school day and/or school to the principal, Superintendent, and the local Board of Education for approval. Each request for full participation by all students, regardless of academic standing, in a curricular activity will be granted if the principal, Superintendent, and the local Board of Education approve participation in the activity as an extension of a course(s) requirement(s) and it is an event sanctioned by a state/national subject matter association.

- d. If the school system provides transportation, properly certified and qualified drivers have been selected and arrangements for the costs of the trip (e.g., salary, fuels, maintenance, lodging) have been made; and
- e. The trip is approved by the principal. If the trip is overnight, it must also be approved by the Board. The Superintendent may approve AHSAA-sanctioned state play-off events that require an overnight stay.

The Superintendent is authorized to develop additional specific requirements for participation in and travel to and from official events and activities that are consistent with the terms of this policy.

6.7 *Student Print and Digital Publications*

The Superintendent is authorized to develop rules and regulations regarding student publications. Student publications are subject to and will be expected to meet standards associated with responsible journalism. The principal and student publication sponsor are responsible for the content of such publications.

6.10 *Voluntary Religious Expression*

The Board does not discriminate against students or their parents or guardians on the basis of their religious viewpoints or their expression of such viewpoints. Such views and

expressions are treated in the same manner as non-religious viewpoints, activities, or expressions.

Students may express their religious beliefs in all phases of their schoolwork without penalty or reward based upon the religious nature or content of such expression. Schoolwork is evaluated according to the academic standards and pedagogical objectives that otherwise apply to the work or activity in question. These standards and objectives include, but are not limited to: acquisition and/or mastery of factual information; development of analytical, problem solving, learning, critical thinking, communication, organizational, and social skills; college preparatory and career readiness training; proficiency in and appreciation of the performing arts; and the development of personal skills that are designed to facilitate attainment of the foregoing objectives, future academic success, and employability. The scholastic work of the system's students will be evaluated in light of the foregoing standards and objectives, academic and curricular guidelines, and criteria established or approved by the State or Lauderdale County Board of Education, and determined by evaluation, achievement, assessment, and testing materials, instruments, methods, and measures that have been generally recognized as appropriate for such purposes within the educational community and applied successfully in public school settings.

Students may organize and participate in religious activities before, during, and after school and have access to school facilities to the same extent students are permitted to organize and participate in other non-curricular activities to the extent that such access to or use of Board facilities does not constitute a constitutionally impermissible endorsement or sponsorship of the organization or violate any right established by or imposed by either the Alabama or United States Constitutions.

The procedures will be drafted so as to facilitate the gathering of relevant facts and evidence, permit timely assessment of the merits of the complaint, provide an opportunity for informal resolution of complaint where appropriate, eliminate any harassment that is established by the investigation, and prevent any retaliation based upon the filing of the complaint. The procedures will reflect due regard for the legal rights and interests of all persons involved in the complaint, and will be drafted, explained, and implemented so as to be understandable and accessible to all student population groups and ages.

6.11.4 Initial Confrontation of Accused Harasser Not Required – A student who invokes the harassment complaint procedure will not be required to present the complaint to the accused or suspected harasser for resolution. 6.17 Corporal Punishment

The Alabama Legislature has determined:

- It is the finding of the Alabama Legislature that the people of Alabama have two basic expectations of public schools: (1) that students be allowed to learn in a safe classroom setting where order and discipline are maintained; and (2) that students learn at the level of his/her capabilities and achieve accordingly. The Legislature finds further that every child in Alabama is entitled to have access to a program of instruction which gives him/her the right to learn in a non-disruptive environment. No student has a right to be unruly in his or her classroom to the extent that such disruption denies fellow students of his/her right to learn. The teacher in each classroom is expected to maintain order and discipline. Teachers are hereby given the authority and responsibility to use appropriate means of discipline up to and including corporal punishment as may be prescribed by the local board of education. (Acts 1995, No. 95-539, p. 1121, §1.)
- The Lauderdale County Board of Education authorizes professional employees to administer corporal punishment. If such punishment is chosen, it shall be administered in the presence of a second school employee, but not in the presence of another student. Teachers shall be supported by the Board of Education and the administration in his/her efforts to teach good citizenship by requiring proper conduct.
- State law and Board policy allows the use of corporal punishment. If a parent/guardian prefers that his/her child not receive a paddling, they must send written notification to the school principal. This must be done each year and may be sent at any time.

Suspension may also be imposed as a disciplinary measure as provided in the Code of Student Conduct. Suspensions will be counted as excused absences only for purposes of truancy. Suspension of students with disabilities will be subject to applicable limitations and requirements imposed by the Individuals with Disabilities Education Act (“IDEA”) and its implementing regulations.

6.20 *Student Expulsion (including Students with Disabilities)*

Students may be expelled from school for offenses serious enough to warrant such action as provided in Code of Student Conduct or other Board disciplinary policies. Students who are recommended for expulsion may be suspended until such time as the Board meets to consider the recommendation for expulsion. Reasonable notice of the proposed action, the reasons therefore, and an opportunity to be heard will be afforded to the student and the student’s parent or guardian prior to a final decision by the Board regarding expulsion. The Superintendent will notify the student or the student’s parent or guardian, in writing, of any action taken by the Board. The term of an expulsion may extend to the maximum permitted by law. The Board may impose such reasonable limitations on the student’s right to re-enroll in the school system following expiration of expulsion as may be permitted by law. A student who withdraws from school prior to the Board’s consideration of a proposed expulsion may not re-enroll in the school system until the Board holds a hearing or other appropriate proceeding regarding the recommended expulsion. Expulsion of students with disabilities will be subject to applicable limitations and requirements imposed by the Individuals with Disabilities Education Act (“IDEA”) and its implementing regulations.

The Board assumes no responsibility for theft, loss, or damage to any personal, wireless communication device. Principals or their designees have the authority to restrict and deny the use of personal, wireless communication devices by any student to prevent the misuse, abuse, or violation of school rules regarding the use of such devices. School officials may read, examine, or inspect the contents of any such device upon reasonable suspicion that the device contains evidence of a violation of Board policy, the Parent/Student Handbook, or other rules, provided that the nature and extent of such examination shall be reasonably related and limited to the suspected violation. Consequences for violations of this policy will be outlined in the Parent/Student Handbook.

Additionally, a driver's license may be suspended or revoked if a student withdraws or fails to attend school. Circumstances beyond the control of the student may be found with respect to:

Principals may impose reasonable conditions or requirements for the privilege of driving or parking a vehicle on school property including, for example, conditions relating to maintenance of academic and attendance standards and the payment of fees. Principals may also establish priorities for issuance and assignment of parking permits. The Board reserves the right at any time to require that sobriety or drug tests or screenings be passed as a condition to maintaining parking or vehicle permits, or privileges relating to use of a motor vehicle.
